

THE PARK LANGLEY CLUB

Adult Pay & Play Sessions

We are delighted that you are currently attending, or are considering attending, our social play sessions here at the Club, which from January 2025 will run during school term time only.

We have undertaken a reviewed of how these sessions work, as part of a broad review of activities in conjunction with user feedback. Below explains the changes we are introducing to support the club with its migration to a new operating system, whilst supporting our commitment to develop Junior Section camps and competitions during the holiday period.

General

You must pre-book each session you wish to attend. You will be able to do this via the new booking system. We will check players against the pre-booked list for each session and if you have not pre-booked, you will not be allowed to play.

Both Parklangley Club members and non-members may pre-book a session. Parklangley Club members can do so from 2 weeks before the session, non-members can only do so from 1 week before the session.

The cost of each session must be paid at the time of pre-booking. The price is cheaper for Parklangley Club members than for non-members. See the tables below for details.

You can cancel your booking. If you do so more than 48 hours before the session, then your prepaid fee will be credited to your virtual wallet. If you do so later than that, then no credit will be given.

Everyone playing at the pay and play sessions must observe the Parklangley Code of Conduct, available via our website. Failure to do so may result in the removal or suspension of your ability to pre-book further sessions.

Tennis

Starting soon, all Pay & Play tennis bookings will move from ClubSpark to ManageOurClub. You'll be able to easily book your court sessions through the new ManageOurClub platform. All other terms remain the same for Tennis Pay and Play.
